Kabbage
··· HOSPITALITY ···

Services

Kabbage Hospitality LLC

Property and operations management

Day-to-day management of short-term rental (Airbnb) and residential properties, including construction and renovation project management, cleaning and housekeeping management, maintenance coordination, and handling operational issues as they come up.

Hospitality growth and market-entry consulting

Helping hospitality and restaurant brands evaluate, research and plan expansion into the U.S.

About

Kabbage Hospitality also invests in, owns and manages hospitality and property businesses.
